

The Paint Research Association (PRA)

Membership Benefits

The PRA Membership has been refreshed to align with the needs of the Paint & Coatings industry to make the subscription affordable for all sizes of organisation. In addition, we are offering a range of new benefits aimed at providing your organisation with; direct contact with our experts; heavily discounted access to our Paint Technology Foundation course aimed at non-scientist or new entrants to the industry; seed innovation & development within your organisation through the Innovation workshop, together with significant savings through the discount structure on IRFAB studies, training, conferencing and PRA laboratory services.

We look forward to providing you with all of the PRA member benefits and, if you have any questions, please do not hesitate to contact the PRA on +44 1664 501212 or coatings@pra-world.com,

Ian Hay, Managing Director, The Paint Research Association.
